2. The following additional provisions are applicable in regard to the dual diagnosis program:

a. A county may split the charges between the county's mental health, mental retardation, and developmental disabilities services fund created pursuant to section 331.424A and the county's budget for substance abuse expenditures.

b. If an individual is committed to the custody of the department of corrections at the time the individual is referred for dual diagnosis treatment, the department of corrections shall be charged for the costs of treatment.

c. Prior to an individual's admission for dual diagnosis treatment, the individual shall have been screened through a county's central point of coordination process implemented pursuant to section 331.440 to determine the appropriateness of the treatment.
